PROFESSIONAL EXPERIENCE

Bicol University Center for Teaching Excellence (BU CTE)

January - May 2023

On-the-Job Training

- Designed, edited, and submitted publications for the Global Citizenship Education (GCED) initiative of UNICEF. This effort contributed to the recognition of the best practices in promoting GCED.
- Facilitated and documented GCED seminars provided by Bicol University. This resulted in a seamless dissemination of information, and also documented the teaching demonstrations of teachers and student-teachers in connection to the GCED seminars.
- Produced 12 graphic designs, including books, certificates, lecture presentations, videos, and invitations using an online editing tool to enhance the effectiveness and ease of delivering information.

FRONTEND DEVELOPMENT EXPERIENCE

HanapLingkod: A Mobile-based Platform to Seek and Render On-Demand Home Services in Daet, Camarines Norte (An Undergraduate Capstone Project by Team 4G)

December 2022

Frontend Developer (React, React Native)

- Developed and designed a user-friendly interface for the application, facilitating seamless communication between 'recruiters' and 'workers'. The user interface received a 4.5 out of 5 rating for its ease of use.
- We employed React Native as the framework of choice, benefiting from a wide number of readily available developer-built libraries. This expedited the application's completion within five months.
